

Let's delve into *Science Reporter* and find out!

1. Which Indian laboratory is the official holder of the International Standard Serial Number (ISSN)?
2. Recently, India commissioned the fully indigenous 1MW green hydrogen plant at Deendayal Port, Kandla. This is India's first port-based green hydrogen facility, True or False!
3. The Abel Prize, awarded annually, is widely known as the Nobel Prize equivalent in Mathematics. Who is the winner of this prize in 2026?
4. With an aim to achieve the higher education Gross Enrolment Ratio (GER) in India, the government introduced an online learning platform which offers free courses for school and college students. Name the initiative.
5. The recent launch of Artemis II (April 1-11, 2026) is significant because it is _____.

Find out the name!

I am a 500 MWe (MegaWatt electrical) indigenously designed reactor built by Bharatiya Nabhikya Vidyut Nigam Limited (BHAVINI) at Kalapakkam, Tamil Nadu. Recently, I have successfully attained my first "criticality" point at which a sustained and controlled nuclear fission chain reaction begins. My this achievement brings our country to officially enter the second stage of the three-stage nuclear power programme. I am making all these efforts to reinforce the country's commitment to produce clean energy. If you know me, find out my name!

Match the following Nuclear Energy terms

1. Gray (Gy)	a) Condition of being able to sustain a nuclear chain reaction
2. Deuterium	b) Physical process of increasing the proportion of U-235 to U-238
3. Criticality	c) The SI unit of absorbed radiation dose
4. Radioactivity	d) Heavy hydrogen, a stable isotope having one proton and one neutron in the nucleus.
5. Enrichment	e) The spontaneous decay of an unstable atomic nucleus, giving rise to the emission of radiation

Solutions to the Puzzles Published in April 2026

Let's Delve into *Science Reporter* and find out!

1. Limit the global average temperature increase to 1.5° Celsius
2. Pench Tiger Reserve, Maharashtra
3. Nikusth 2.0 was launched for leprosy patients under the National Leprosy Eradication Programme
4. ISRO
5. CSIR-NIIST, Thiruvananthapuram

Match the following

1. b
2. d
3. e
4. a
5. c

Unscramble Scientific Instruments

1. VENTURIMETER
2. SEXTANT
3. PYRHELIOMETER
4. OTOSCOPE
5. FATHOMETER
